

The Story of David

① King Saul did not Obey!!

Narration It was a time when the judges passed on the will of God. The Israelites wanted a handsome king like the other neighbouring nations. God said no but they begged and begged for a king. Let's see what happened! So in the end the Israelites appointed a handsome king like the other neighbouring nations. Israel's first king was Saul. At first, King Saul was a humble king who listened to and followed God. But as the days went on, he started to become a bad king who lived like he wanted.

.....

Servant 1 Your Majesty, that is not God's will.
You must not keep it.

Saul No, we cannot just leave all this behind. It is too good! God will understand...after all, I am the king. Let's go...

Narration God watched as Saul continued to think and act according to his own ways. God was sad and regretted his choice of a king and shared his feelings with Samuel, a prophet.

God Samuel...

Samuel Yes, my Lord, I am here.

God I am troubled by Saul. He no longer listens to me. He has become disobedient. How can this be ...? Since becoming king, his heart has become too arrogant!

.....

Narration The prophet, Samuel, learned of God's sadness with Saul and he approached Saul out of deep concern.

Samuel Your Majesty! Why do you not listen to God at all? God is regretting the day He appointed you king. But it is not too late to repent and obey God. Remember, it is better to do what he says than to offer the fat of rams.

Saul Hahahahahaha... whatever... Prophet Samuel, do not worry. It is I, King Saul. King Saul! Don't you know how much I love God! Haha.. haha...

Narration But King Saul was a completely different man from before.

Servant 2 Your Majesty, that is not God's will. You must not keep it.

Saul No, we cannot just leave all this behind. It is too good! God will understand... after all, I am the king.

.....

Narration King Saul did not seek God anymore.

God Samuel!

Samuel Yes, my Lord, I am here.

God I should not have anointed Saul as king. I regret anointing such a disobedient man, who only does as he pleases, as king. I will appoint a new king. Go now to a man called Jesse in Bethlehem and appoint one of his sons as king.

Samuel Lord, then do you mean one of Jesse's sons will be the new king, instead of Saul?
