

The Story of David

③ David trusted in God completely!!

Narration One day, the neighbouring Philistines gathered their forces to invade Israel. Among the Philistine soldiers was a giant commander who was nearly 3 metres tall. His name was Goliath.

Goliath Wimps of Israel! Come out any one of you! If any one of you fights me and wins, we will withdraw without a fuss! Why do you all just stand there? Is your God afraid as you are? Ha ha ha! A cowardly God and his people! Ha ha ha!

Narration But there was no one in Israel who was willing to fight the giant, Goliath. They were all too afraid of his big size and strength that none of them dared to challenge Goliath.

Narration Right there, right there, right there~~~~ was David. He had come to the field on an errand from his father to deliver food to his brothers in the army. Right there he heard the voice of Goliath.

David Who is that?? What a huge lump of meat...

Goliath You wimps of Israel! Come out you little squirts! It seems your God has run away! Your God is afraid of me! Ha ha ha ha ha ha!

David Woah~~~ I can't believe it! How dare he insult our God and His people?

Soldier 1 Hey, hey! Little boy, what do you think you are doing? Get back right now! Do you not realise how dangerous it is here? Go back home now!

David No! How can we stand here and do nothing when that Philistine is mocking our living God and His people?

Soldier 2 Hey! Are you blind? How can you say that after seeing that giant Goliath? Just stay put, you'll only get hurt. Stop talking rubbish and get home already!

David I have been tending sheep since I was a young boy. I fought the lion and the bear, and every time God saved me from the paws of the lion and the paws of the bear. He has never failed me and he will not fail me today. He will protect me from that Philistine giant.

Narration David had no armour and no proper weapon. All he had with him were 5 smooth stones from the stream. With the 5 smooth stones in his pouch, he walked out towards the Philistine army and stood before Goliath fearlessly.

Goliath What? Who is this little dwarf? Hey, little boy, go home! Your army and your God must really be lousy to send such a young boy out to fight me! Get lost! Now!!

David You come against me with sword and spear and javelin, but I come against you in the name of the Lord Almighty! Today, the Lord will hand you over to me and everybody here will know that the Lord does not use the sword or spear to save, for the battle is in the Lord's hands!

Goliath What? Why you... you still seek and believe in God? You are completely out of your mind! Fine, I will deal with you with just one blow!

.....
Narration David ran courageously towards Goliath. Reaching into his pouch, he took out a stone and threw it with all his might. David's stone struck Goliath right on his forehead.

Goliath Aaaaaaaaaaah!

Narration Goliath, in all his stature, fell with a big noise. When they saw Goliath fall, the Philistine army shook in terror and started to run. Then the men of Israel surged forward with a shout and pursued the Philistines. The whole of Israel triumphed because David trusted God and stepped forward in faith to conquer Goliath. From then on, David became Israel's hero.
