

No matter what comes in my way!

- Narration** Many people was against Paul's plan to go to Jerusalem. Though, Paul and his group have finally arrived in Jerusalem. And after a few days, Paul and his group entered the temple. Right at that time..!
- Jew 1** WoW!!!! That's him! That's Paul! Paul!!
- Jew 2** Hey! That guy is the one who teaches against the law and this temple! And now he brought Gentiles into the temple and defiled this holy place!
- People** (rumble) What? Such a bad guy! Catch him! Catch Paul!!
- Narration** The angry jews dragged Paul out of the temple and tried to kill him.
- Jews** Come over here!! You should die! Let's stone him, everyone!
- People** Die!!
- Commander** Heyyy!! Stop! Stop you all!
- Narration** When the Romans heard that there was a great commotion in Jerusalem, the roman army came.
- Commander** There! Hey, there! What are you doing!
- Paul** Oh! Roman!! Commander, sir, can you do for me a favor? I am a Jew but I am a citizen of Tarsus, Cilicia. Please allow me to speak one word to these jewish people.
- Commander** Oh, wow! Then, go on.
- Narration** Paul stood on a high stairway and spoke in Hebrew to the crowd around him.
- Paul** Brothers and seniors, please listen to me. I am a Jew. Although I was born in Tarsus, I grew up in Jerusalem and was taught by teacher Gamaliel and received a strict education in the law. I am the one who persecuted the followers of Jesus. I sent them to jail and I even killed them. (Remind: Hey! Hey! Hurry up! There will be no dinner, if you come so late!)
- One day, as I was approaching Damascus to arrest the followers of Jesus, I met Jesus in a bright light. Then I came to know that Jesus is the son of God and according to his command, I'm now preaching the will of God to the gentiles. Do you understand?
- Jews** Kill that bastard! He must be killed!! (It gets very noisy.)

Commander	Well.. Hey, take Paul and whip him! He should take a lesson.
Paul	No way! Commander sir, there is no law that you can beat a roman citizen without a trial!
Commander	Huh? Are you a Roman citizen?
Paul	Yes, since I was born. Now, I want an official trial.
Narration	So Paul, who requested a official trial, was able to testify and defend Jesus to the jews during several trials. Although Paul was tied up, Agabus said he was able to tell Jesus and preach the gospel in court.
Paul	So!! This is what I mean...!!
Narration	Paul was struggling in prison in the midst of a long, never-ending trial. And then one day, Jesus appeared to Paul.
Paul	Oh, my back.. It hurts... Ouch..
Jesus	Paul, be courageous. As you preach the gospel in Jerusalem, so you will preach it in Rome.
Paul	(while he sleeps) Oh... Jesus... Can I really do it?
Narration	After that, Paul boarded on a boat going to Rome for the final trial in Rome, with other prisoners.
Prisoner	Prisoner number 24599 Popeye!! Go in, 24601, you loser!! Go in!!!! 24602! Paul!! Go in..
Narration	So Paul went to Rome to tell the story of Jesus.
