

Suffering for Jesus is our joy!

- Narration** Since Peter and John got the lame up, many have flocked to Peter and his disciples, bringing the sick and the afflicted.
- People** Hey, look at me and heal me too! Fix me!
- Narration** Through the disciples' hands, many people got healed. The priests and sadducees were very jealous of the crowds gathered by Jesus' disciples.
- Priest/ Sadducee 1** Some unknown men appeared and they are confusing the people!
- Priest/ Sadducee 2** I think we should not let them to do that!
- Narration** So the priests and sadducees ordered to capture them.
- Priests/ Sadducees** Catch the followers of Jesus and put them in prison!
- Guard** Go in! Now!
- Narration** But one night, an angel appeared in the prison.
- Angel** Come, wake up! I've opened all the prison doors. You can just get out of here.
- Disciples** What happened? Are we dreaming?
God sent us angel to save us! Let's go out! Come!
- Angel** Yes, go! Get out of here and from tomorrow, you can keep telling the people the word of God!
- Narration** With the help of the angel, the apostles escaped the prison safely.
- Sadducees** What? Prisoners are gone? Did they escape, or what!
- Guard** The doors were all locked but no one was inside. This is the first time in my life that such a strange thing has happened. What a interesting...
- Priest/ Sadducee** What are you talking about? Those people you put in prison are teaching people in the temple again!
- Sadducees** What? Go and catch them! Right now!
I warned you not to teach anything in the name of Jesus. How dare can you spread the name of Jesus far across all Jerusalem? Aren't you afraid of punishment?
- Disciple 1** To obey God's word is more important to obey your words.

Disciple 2 Our God raised Jesus, whom you killed on the cross.

Disciple 3 And Jesus is our king and savior and through him we can repent and our sins can be forgiven. We are witnesses of all this, how can we stand still?

Sadducees What!? How dare you tarnish the name of God! Not worth listening to any-more! Hit them very hard!

Disciples Argh!

Sadducees How is that! Do you change your mind now? If you preach again in the name of Jesus, then your lives will be in jeopardy. Never! Tell the name of Jesus! Got it!?

Narration The apostles, who have been released after being beaten, came out of the council, rejoicing in suffering in the name of Jesus. They were not afraid of men and taught daily in the temple and from house to house without ceasing, declaring that Jesus is the Christ.

Disciple 1 Everyone! Jesus is the savior sent by God!

Disciple 2 That's right. Jesus is the son of God! Believe it!

Disciples Believe him! Believe Jesus!
