The Bible Song - Through the Roof

In a little building nice and small
Jesus was speaking there in the hall
People came to see him short and tall
Soon there wasn't room at all

High upon the building friends all know
Jesus can heal the sick and the low
How can they get in when doors are closed?
Lift the rooftop down he goes

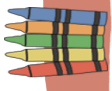

In a little building people shove
To see the stranger from up above
Jesus knows the man is filled with love
That's the thing we need more of

In a little building someone grins
Healed of his sickness free of his sins
Jesus is so glad that he dropped in
Now he can walk home again
