The Bible Song - Splitting the Sea

Moses led the people down to the sea
Out marched the crowd so happy to be free
“No”, said the Pharaoh to his army men
Bring Moses and the people back to me again

Moses and the people saw the Pharaoh come
Trapped by the sea and nowhere left to run
Moses trusted God and knew just what to do
So Moses raised his arms and split the sea in two

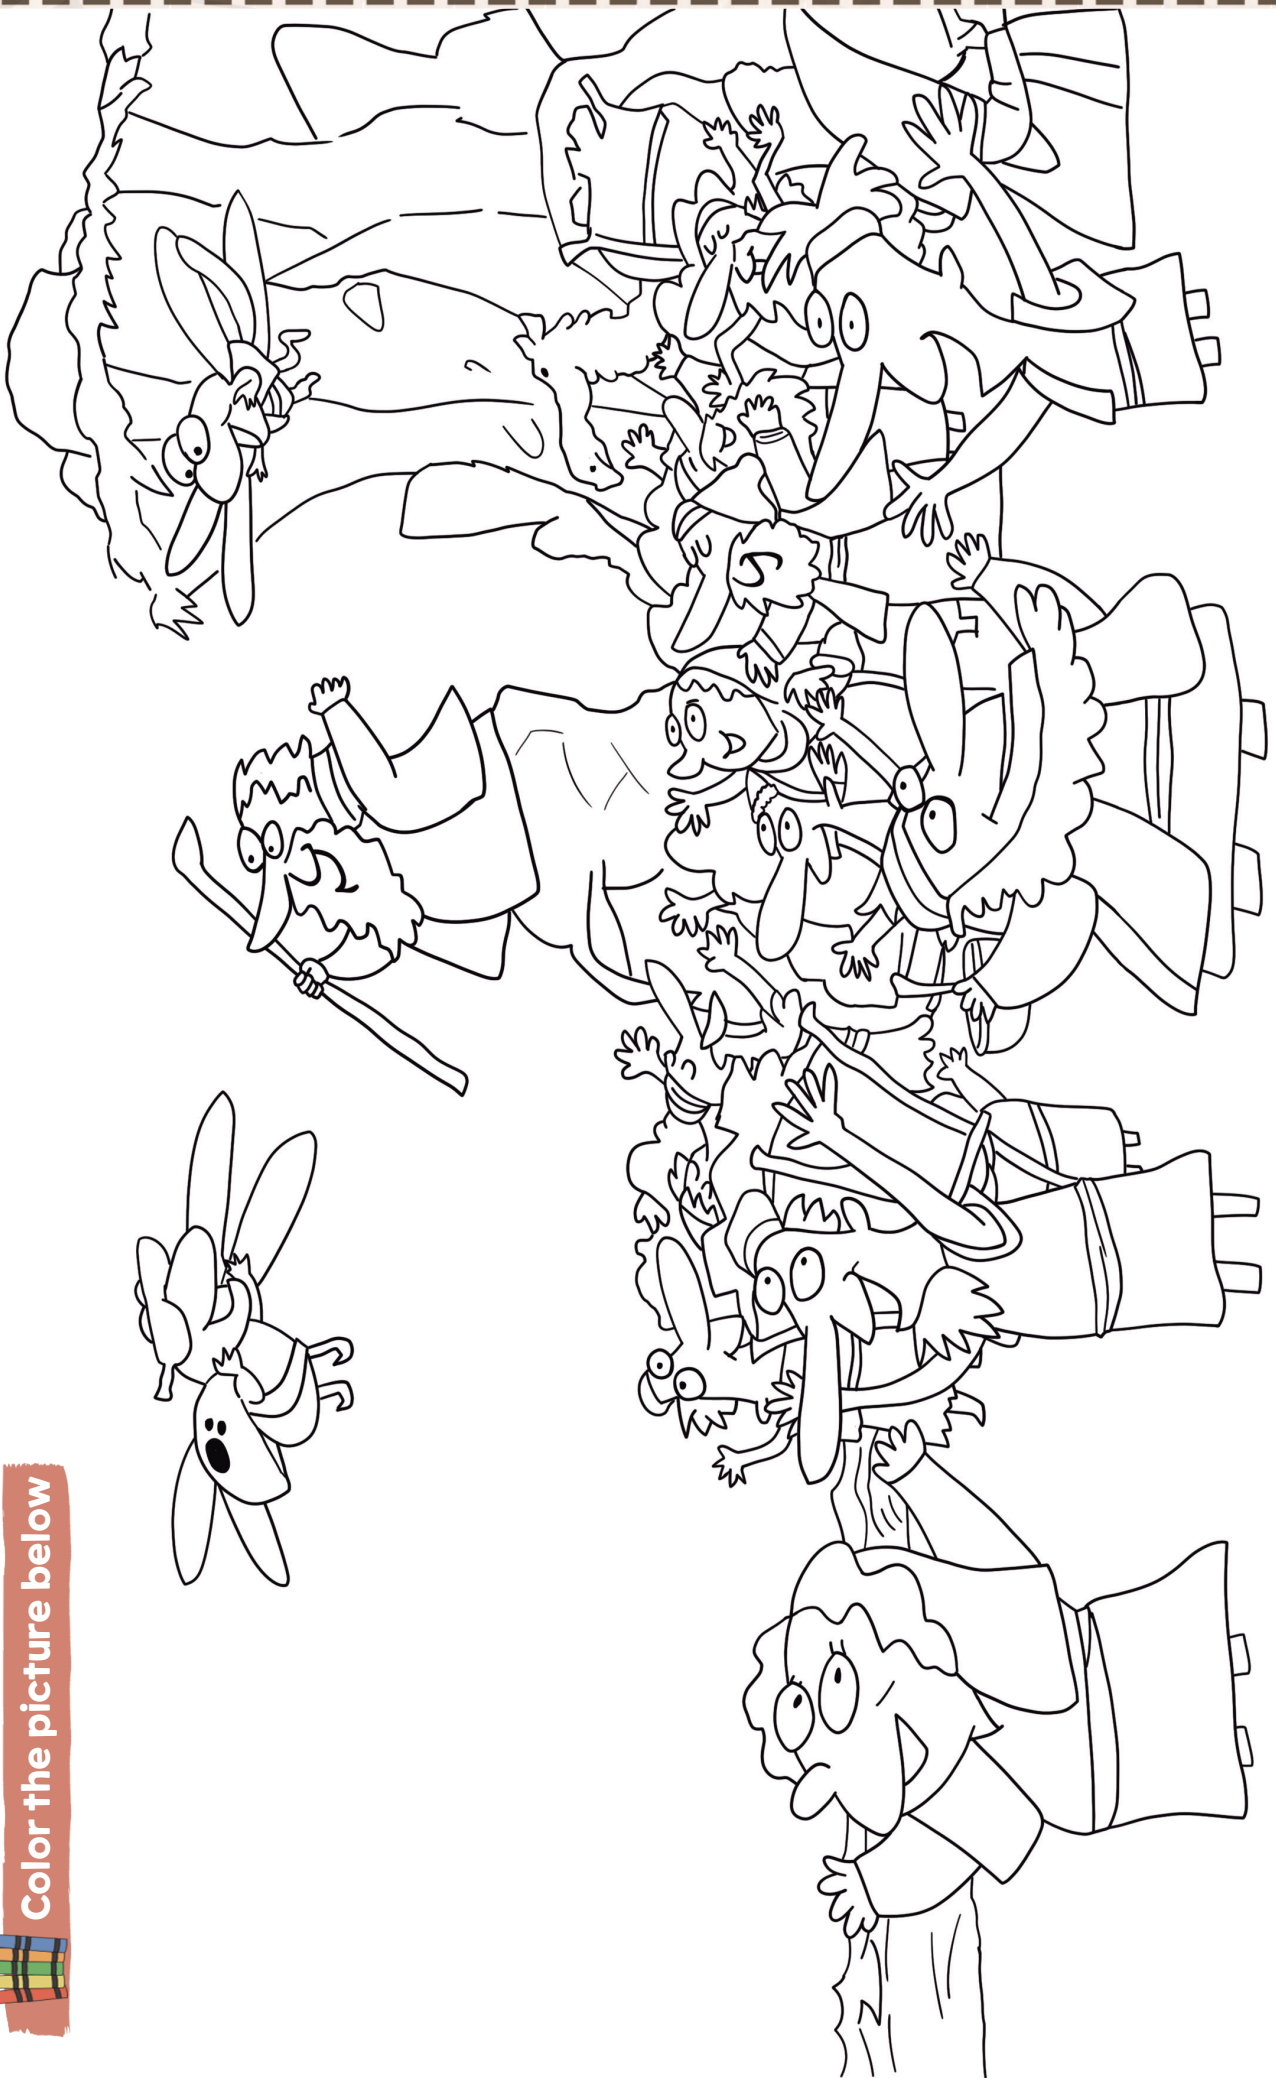

Moses and the people marching hand in hand
Pass through the sea while walking on dry land
Up stayed the water high above the tide
As Moses and the people go to the other side

Pharaoh and his army following that day
Down came the waves and washed them all away
Now Pharaoh could not catch them anymore
So Moses and the people are dancing on the shore
