Story 1: The Creation

Main Bible verse
[Genesis 1:1]

In the beginning, God created the heavens and the earth.

In the beginning the world was dark and empty. There was nothing. God alone was present.

One day, God spoke. "Let there be light!"

He called the light "day" and the darkness "night". On the second day, God spoke again.

"Let there be sky and water!" So the sky and water were made and they were beautiful.

On the third day, God gathered the water in one place and let the ground dry.

And God made grass, flowers, and trees grow on land.

On the fourth day, God said: "Let the sun, the moon, and stars appear in the sky!"

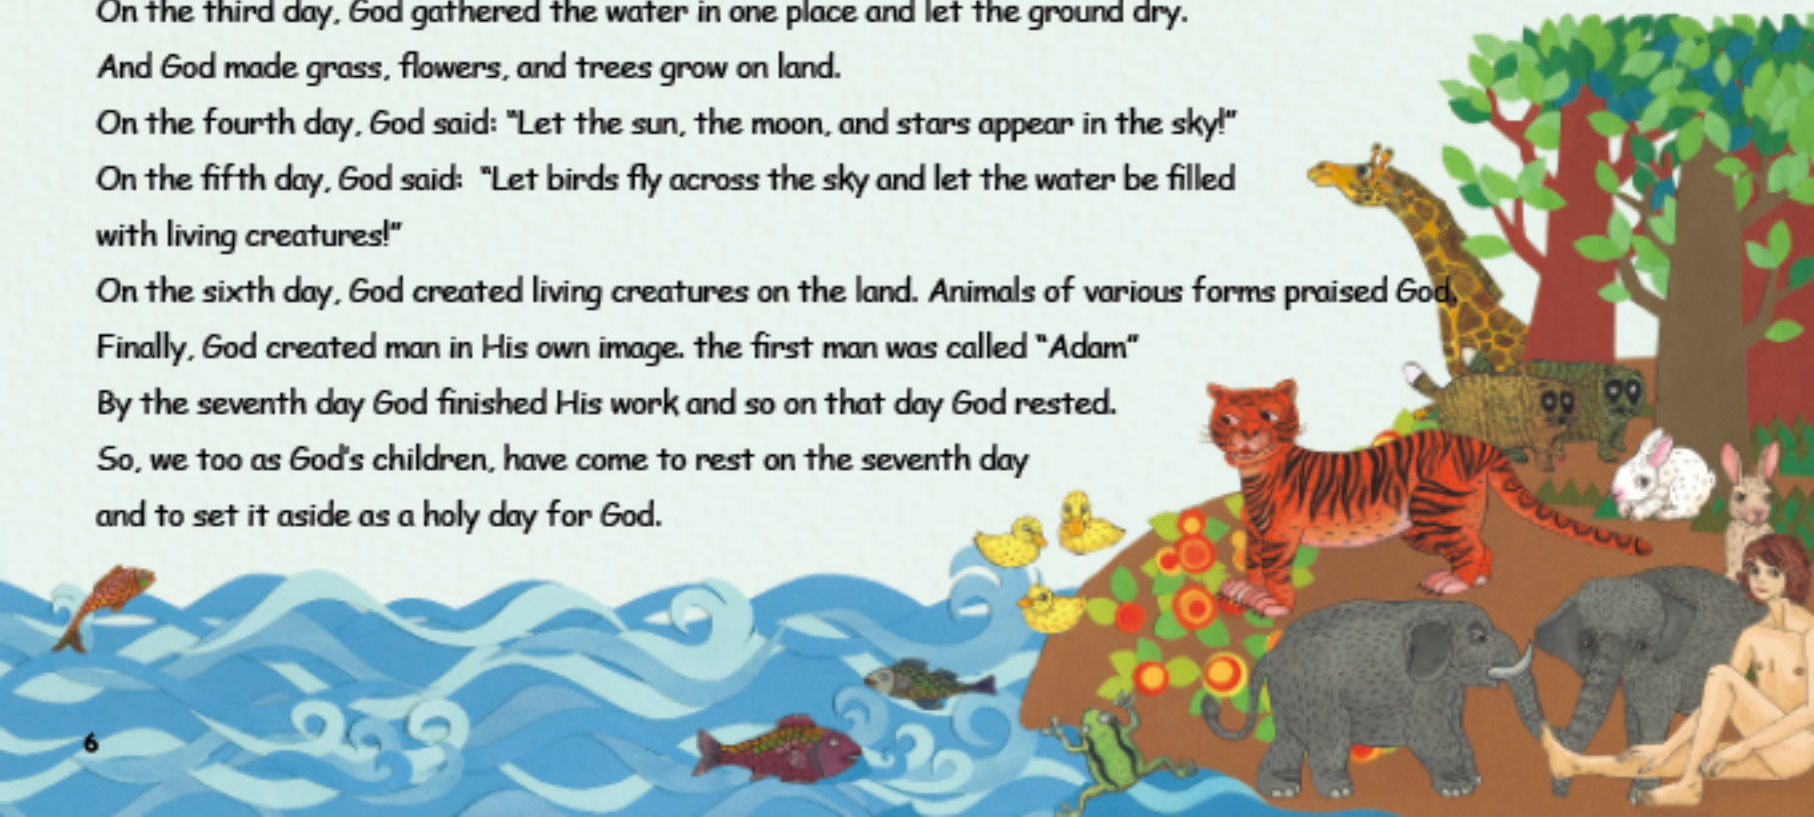

On the fifth day, God said: "Let birds fly across the sky and let the water be filled with living creatures!"

On the sixth day, God created living creatures on the land. Animals of various forms praised God.

Finally, God created man in His own image. the first man was called "Adam"

By the seventh day God finished His work and so on that day God rested.

So, we too as God's children, have come to rest on the seventh day and to set it aside as a holy day for God.
